Tree Risk Assessment Qualification

TRAQ Course Information

This 3-day TRAQ course and exam is open to interested parties who meet the pre-requisites (see [Tree Risk Assessment Candidate Handbook](#)) and is **limited to 20 arborists** (first-come/first-served). The qualification consists of a 2-day educational course followed by a ½ day assessment that includes both a written and field component. It is required that you attend the course and successfully complete the assessment in order to receive this qualification.

Registration closes on February 21, 2018 or when class is filled. All payments are due by February 21, 2018. Cancellation/refund requests must be submitted by February 21, 2018. All applications will be reviewed for approval. Your registration will be finalized via email.

What to do now

- Read the [Tree Risk Assessment Candidate Handbook](#)
- Register beginning January 17, 2018

What to bring to class

- Your government-issued photo ID
- TRAQ Manual and Workbook
- Hard hat and high-visibility vest or shirt
- #2 pencils and clipboard for taking notes
- Rain gear, including large zip-lock bag
- TRAQ Clipboard

Please dress for your comfort level indoors and outdoors; we cannot always control the room temperature to suit everyone. Come prepared to spend part of the day outdoors.

Confirmation Packet

You will receive a confirmation packet from ISA in Champaign, IL containing a letter with the date and time of the course and the name of the appropriate contact person. *The confirmation packet includes one copy each of the Tree Risk Assessment Manual and Tree Risk Assessment Workbook, and the TRAQ Clipboard. Individuals taking a retake exam will not receive a new manual or workbook. No refunds or discounts are given if you already own the Tree Risk Assessment Manual.*

Confirmation packets will be shipped to the address provided on the personal information registration page. Please provide a physical shipping address.
